

JEWELS IN THE CROWN

Weekly School Newsletter

January 13, 2023

Dear COLLS Parents,

Today ends the 2nd quarter. The first half of the school year has been great! I pray that you can look back and see the growth and progress your children have made so far. From my view, it has been a great first half of a school year.

Thank you to all who were able to attend the Love and Logic session with Brenda Bird this past week. I hope that you were able to walk away with some tools to use at home as you raise your children and help keep the negative emotion out of discipline. If you would like to dig deeper into parenting with Love and Logic, I recommend the books, Parenting with Love and Logic and Parenting Teens with Love and Logic. Both books are written by Foster Cline and Jim Fay. I have a copy of each if you would like to look them over. The teaching staff spent time with Brenda as well focusing on using Love and Logic in the classroom. We will now begin working through the book Teaching with Love and Logic as a staff.

Don't forget about re-enrollment. Our deadline is February 1. There has been a lot of interest in Crown of Life. I hope to see you all back next year.

Don't forget that we have moved to all school chapel every week. PreK-8th grade meet at 8:25am on Wednesdays for chapel. It has been great to have all of our students and faculty together to worship and praise God each week. You are always invited.

Enjoy the long weekend!

In His Service,
Dan Dueck

Welcome Home: to the family of God

We are children of God through the faith given to us through Baptism. Though we often overlook or discount the blessing of a church family, it connects us and reminds us of His love and grace for us.

Welcome Home: to the family of God.
