

JEWELS IN THE CROWN

Weekly School Newsletter

November 4, 2022

Dear COLLS Community,

Welcome to November! October was gone in a flash and I'm afraid things are not going to slow down now. November is a quick month full of fun leading up to Thanksgiving break.

We have been assessing and planning for the repairs needed in the third grade classroom. Trying to be as proactive in the repairs as possible, we are exploring several other areas along the wall of the school to assess if any additional damage caused by the rain. The third graders and Miss Morrison have been great in this transition and I think have enjoyed the new space.

Next week we will begin putting out information about a service project connected to our chapel offerings. You will have an opportunity to help us gather personal hygiene items for Lutheran World Relief. Watch for information of how you can be a part of this project.

Thank you to the 3-5th grade families who attended the parent information night. I appreciate you taking time to learn more about the middle school program and COLLS.

All PreK4 parents are invited to Kick-Off to Kindergarten on Tuesday, November 8th in Mrs. Schelen's classroom from 6:00pm - 6:30pm. You will get the chance to visit with Mrs. Schelen and learn all about the life of a COLLS Kindergartener! RSVP to Mrs. Sama by 10am on Monday, November 7th!

Enjoy the weekend!

Dan Dueck
Principal
