

JEWELS IN THE CROWN

Weekly School Newsletter

March 24, 2023

Dear COLLS Community,

This has been another great week at Crown of Life. For me personally, it has been wonderful to be back on a more regular basis. The time with the students, faculty/staff and you, the parents, has been the best healing I could have. Thank you all for the kind words and continued prayers as I heal and get stronger each day. We have a wonderful community.

Today, our Middle School students are in Mineral Wells competing with other Christian schools at the CSAF Fine Arts Festival. Students have been working hard to prepare for this competition. We will publish how our students did next week. I look forward to seeing the results.

We have a big summer coming up. The Crown of Life congregation approved funds to address all of the water related issues on our campus. Windows will be sealed, stucco repaired and painted, and the water damage in room 110 will be fixed and the room put back together like new. Construction will begin as soon as school is out and will be completed by the beginning of August. The middle school science lab will also be remodeled. Working with funds from the gala and other donations, new furniture, flooring, paint, and equipment will be purchased and installed. If you would like to learn more about this project, please let me know.

Today is the end of the 3rd Quarter. It's hard to believe that we are already 3/4th of the way through the year. As these next weeks will go by so quickly, I pray that you can look at the year so far and see growth and success in your child.

Holy Week and Easter is coming. The week of April 3 is Holy Week leading up to Easter. We will have a short chapel each day that week, Monday through Thursday as we focus on Jesus' last days on earth. You are invited to join us each morning in the sanctuary each day. Chapels will begin at 8:25am.

There is no school on Friday, April 7 for Good Friday and no school on Monday, April 10 for Easter Monday.

In His Service,
Dan Dueck

Congratulations to one of our AMAZING 7th Grade Crusaders, Gabby Salas, who won the DAR Essay Contest for the entire state of Texas for her 7th grade! She won for our local chapter and then was chosen from the 198 chapters across the state! What an accomplishment! Over the weekend, she was recognized at a special luncheon where she confidently gave a speech to a room of around 400 people! To say that Crown of Life Lutheran School is proud of you, Gabby, is an understatement! You have represented our school, your family AND our middle school language arts program exceptionally well! Thank you, Mrs. Hamre for everything you do in and out of the classroom each day to prepare our students for success!

SERMON TEASER

There are seasons when it seems like nothing is happening. We are not growing, we are not advancing, we are just... stuck. We can wonder if anyone is even listening or watching. Ezekiel was called to boldly proclaim the word of God to a people who were in captivity, beholden to a pagan king in a pagan land. In Ezekiel 37, we are reminded of the God we worship and has promised to do the impossible.

Sunday Worship Times:

Traditional Service - 8:30am

Sunday School - 9:30am

Stellar VBS

June 12 -16

9am - noon

\$25 per participant

Register your child (age 3 – entering 6th grade in fall 2023) now for this great week of having fun and growing in our faith.

Classes are filling up quickly!

Of course, VBS wouldn't be possible without our rockstar volunteers. Who can help? Adults and anyone going into 7th grade in fall 2023 or older.

Register on our website (crownoflife.church).

If you have any questions or would like more information, contact Sarah Morris at smorris@crownoflife.org.
